INTERESTED IN GRADUATE SCHOOL?

WHY GRADUATE SCHOOL?
When researching careers, consider if graduate school is an option for you.

Some careers require a graduate degree to enter the field.

Those with advanced degrees earn an average of $13,052 more annually than those with bachelor's degrees. (Bureau of Labor Statistics, 2015)

LEARN ABOUT YOUR CAREER OPTIONS. VISIT SJSU.EDU/CAREERCENTER FOR MORE INFORMATION.

TIP: As a graduate student, you are considered an independent on FAFSA and may receive more financial aid.

TIP: Some programs require experience before applying for graduate programs.

TIP: Some programs accept applicants on a rolling basis, so the earlier you apply the better!
