SAT/ACT Scores

Freshman applicants are required to take the SAT (Math and Evidence-based Reading and Writing sections) or ACT and have their scores submitted to SJSU.

Request to have your official scores sent from the testing agency — scores listed on your transcript or on your application for admission will not be accepted as a substitute. Please note: The SAT/ACT writing portion is not used for admission or placement purposes at SJSU.

December Exam - You may take the December SAT exam, however, you must rush your scores and risk missing the deadline to be considered for admission.

Average SAT/ACT Test Score - Since SJSU is an impacted campus, we do not provide an average SAT/ACT score. To view how competitive your major has been historically, please visit sjsu.edu/admissions/impaction

Practice Exam - To take a free practice exam to prepare for the SAT, visit khanacademy.org/sat

Submitting SAT and/or ACT Test Scores is a Two-step Process - Submit all test scores from the SAT and/or ACT exams and confirm that your scores are attached to your Cal State Apply file. SJSU will “superscore” or combine test results with like-tests so it is beneficial to send scores from all exams you have taken.

Step 1: Request that your official scores are sent to any California State University. The SJSU SAT code is 4687.

Step 2: Ensure that your scores attach in Cal State Apply by confirming that you have entered the correct College Board ID (for SAT) or ACT ID in Cal State Apply.

For detailed information, visit sjsu.edu/freshmanadmissions/want-to-apply/submit-sat-act-scores

Freshman Eligibility Index (EI)

SJSU uses your Grade Point Average and SAT/ACT scores to calculate your Eligibility Index. You must meet the following minimum CSU Eligibility Index (EI) requirements to be considered for admission in our impaction process. This means that meeting minimum CSU eligibility requirements does not guarantee admission to SJSU.

**Minimum EI Required for Admission to SJSU**

To calculate an SAT EI using ACT scores, go to ACT.org and search for “concordance”. Choose the link to their ACT/SAT Concordance page for more information.

**Grade Point Average (GPA)**

We calculate your high school GPA using your 10th and 11th grade a–g courses when considering you for admission. Your official GPA for admission to SJSU may be different than the GPA on your high school transcript.

**GPA Calculator**

You can estimate your GPA (including honors, IB and AP courses) using the CSU Grade Point Average Calculator at www2.calstate.edu/apply/eligibility-index

**Impaction Criteria** (for Freshmen)

Meeting Minimum Admission Requirements Does Not Guarantee Admission.

Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements for CSU eligibility does not guarantee admission to San José State.

Freshman applicants who meet the minimum academic requirements will be ranked in each major based on a combination of their self-reported GPA (at the time you apply) and official SAT or ACT test scores (Eligibility Index or EI).

**Previous Years’ Thresholds**

To view how competitive your major has been historically, visit sjsu.edu/admissions/impaction

(please keep in mind the thresholds change each year and that although the Freshman impaction website shows an EI lower than 3570, nonresidents of California must have at minimum an EI of 3570 for admission).

**Engineering Majors**

Freshman applicants to the engineering programs will be ranked using a modified eligibility index that will give greater weight to the math sections of the SAT and ACT.

Transfer Impaction Criteria (for Transfers)

Admission to San José State is competitive in all majors because SJSU continues to have more qualified applicants than available new student spaces. This situation is called “impaction” and it means that meeting the minimum academic requirements does not guarantee admission to San José State.

CSU eligible transfer applicants will be ranked in each major based on their self-reported GPA (as reported in the required supplemental application). Some programs will give preference to applicants who have completed program-specific preparation courses. Additional courses have been approved for Fall 2020 admission (sjsu.edu/admissions/impaction).

Majors with (Program-Specific) Preparation Courses

Select majors (degree programs) give preference to applicants who have completed program-specific preparatory courses. These programs are noted in the “Degrees” section and will give preference to students based on a combination of their self-reported GPA and the completion of program-specific, lower division coursework.

For example, if two applicants to the same program have the same GPA, preference will be given to the applicant who has completed the greater number of program-specific preparation courses. Similarly, if two applicants have completed the same number of program-specific preparation courses, preference will be given to the applicant with the higher GPA. The program-specific courses that will be considered are listed at sjsu.edu/admissions/impaction.

** Campus Housing costs are average of CV Buildings + 21 swipes/week meal plan.

Fees are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

California Residency for Tuition Purposes

The determination of residency for tuition purposes affects whether a student pays in-state or out-of-state tuition fees. Out-of-state tuition fees are higher than in-state tuition fees. Just because a student is or has been a resident of the State of California does not mean that he or she qualifies to receive the in-state tuition rate. Certain requirements, established under California law, must be met.

Visit the California State University site for additional information regarding residency:
www2.calstate.edu/apply/california-residency-for-tuition-purposes/Pages/default.aspx

Housing Costs

Housing rent is based on double occupancy, furnished units with a 10-month contract. Rent includes basic utilities, wi-fi internet access, internet-based TV and furniture. To view the most up-to-date costs for our housing facilities, visit housing.sjsu.edu (Please note: rent amounts are subject to change.)

Meal Plan Costs

Meal plans are mandatory for freshmen living in campus housing. There are a variety of meal plans offered, including plans offering a limited number of meals per semester. Students are sure to find one that fits their needs. Please note that meal plan amounts are subject to change.

More information can be found at https://dineoncampus.com/sjsu

Senior Year Costs

Senior year of high school can also run up quite a tab for families. From prom to SAT/ACT tests to graduation, budgeting can help to ensure a reasonable, but memorable final year in high school.

- ACT/SAT Tests: $50 - $90 per test
- College Applications: $43 (average) - $90 per application

Optional Costs:

- Test Prep classes for ACT/SAT exams: $200+ (online), $600+ (in person)
- High School expenses (prom, pictures, ring, yearbook, graduation, etc.): $1,500+
Financial Aid
San José State University's Financial Aid and Scholarship Office provides assistance to students in securing federal, state and university financial aid to achieve their educational pursuits. Each year, SJSU awards and administers more than $500 million in financial aid to eligible students. Students receive aid in the form of scholarships, grants, work study and loans - funds that help them focus on their education and complete their degree. Learn more at sjsu.edu/faso

Free Application for Federal Student Aid (FAFSA)
To help cover the cost of attending SJSU, you may apply for financial aid provided through federal grants, state grants, work study and loans by using the Free Application for Federal Student Aid (FAFSA). You can submit your application starting Tuesday, October 1, 2019. To ensure you receive as much aid as possible, we encourage you to submit your application by the priority deadline, which is Monday, March 2, 2020. You can apply after March 2 but the amount of financial aid that you receive may be reduced due to available funding. Learn more at fafsa.ed.gov

Financial Aid Disbursement
Financial Aid is only distributed after enrolling in SJSU.

Scholarships
Scholarships are generally based on scholastic achievement and financial need. The Financial Aid and Scholarship Office administers three types of scholarships: SJSU campus-based, department-based and private-based. Hundreds of SJSU scholarships are available, ranging from $250 to $4,000 per year. Students are encouraged to apply for as many scholarships as possible to lessen the need for loans or part-time work to pay for the cost of attendance.
