Frequently Asked Questions

Do I have to enter my entire transcript information? No. If you already have a bachelor's degree, you do not need to enter in your coursework. Select the 'I Am Not Adding Any College Transcripts' button on the Transcript Entry page. If you are still completing your bachelor's degree at the time you are completing the application, enter in-progress and planned coursework only.

Can I apply as a graduate student before I finish my bachelor's degree? As long as you complete the bachelor's degree before the application term, you can apply.

I don't see the program I want in the Add Programs page? Only programs that are open to applications will appear for selection. If your desired program is not listed, check the Application Dates & Deadlines page and you Extended Profile to see which campuses and programs are open. For more information about available programs see (website).

When do I send my transcripts? Submit official transcripts and other documents by the document deadline for your program. Submit transcripts directly to the Graduate Admissions & Program Evaluations (GAPE) office (One Washington Square, San Jose, CA 95192-0017). Documents submitted to the department instead of directly to GAPE will NOT complete your application.
