VISION

We aspire to be innovators and leaders in learning and teaching, scholarship, and professional practice to ignite social change towards a more vibrant, prosperous, and just world where the optimal health and wellbeing of individuals and communities are achieved and sustained.

IDENTITY

We are a thriving diverse academic, scholarly, and professional community that integrates public health, recreation, and personal wellness through high-impact experiential learning, scientific inquiry, critical thinking, play, and lifelong learning to promote social change and justice using collaborative engaged actions.

MISSION

To cultivate a learning community, advance scholarship, and act as an agent of social change within the domains of public health and recreation through serving our diverse SJSU HSR students and alumni and partnering communities to facilitate personal and community transformation.
