Interim Chief Medical Examiner-Coroner Investigator
MS Criminal Justice Admn, Loyola University New Orleans

Hired by the Santa Clara County Medical Examiner-Coroner’s Office in 2005, Rosa has performed thousands of death investigations including homicides, accidents, suicides and child deaths. In 2016 she was promoted to Interim Chief Investigator. Despite the arduous task of management, she continues to perform death investigations because that is truly her passion. Rosa supervises a team of eight investigators and who respond to roughly 1000 deaths annually at which they determine cause of death, positive identification, and take possession of personal property and evidence found on scene.

Rosa is a member of the California State Coroner’s Association, California Homicide Investigator’s Association and is a Registered Diplomate with the American Board of Medicolegal Death Investigators. She also serves as a member of the Santa Clara County Child Death Review Team. Rosa aspires to teach and hopes to one day become a member of SJSU’s Justice Studies Department faculty.

2017 Janet L.Hagemann Award:
**Molly E. Marquez**

Molly came to SJSU in 2012 when we were fortunate to get her assigned to the JS department as a temporary employee. It wasn’t long before she became a valuable member of the JS office team. She was the first staff member to sign up to compete in the Justice Studies Task Force CONFIDENCE CHALLENGE. She cheerfully ran, climbed the wall and dragged the dummy with her team. When the idea of doing a Justice Studies Showcase was floated, Molly was the first to jump on board. She brought her considerable energy, creativity and organizational skills to the committee and promoted an overwhelming sense of team spirit in our little group. She has been an integral part of our success with Showcase, and for that we are proud to honor her tonight!
