SJSU Occupational Therapy 75th Anniversary Continuing Education Offerings

Shawn Phipps, PhD, MS, OTR/L, FAOTA
Dr. Shawn Phipps is the Chief Quality Officer and Associate Hospital Administrator at Rancho Los Amigos National Rehabilitation Center in Los Angeles, California, where he has served for over 21 years as an Occupational Therapy practitioner, clinical specialist, supervisor, manager, and chief. He is the Past Vice President and Board Director of the American Occupational Therapy Association and currently serves as the California Representative #1 to the AOTA Representative Assembly. Dr. Phipps has also served two consecutive elected terms as the President of the Occupational Therapy Association of California and serves as Adjunct Faculty and a member of the Board of Councilors for the University of Southern California Chan Division of Occupational Science and Occupational Therapy. He has published and presented extensively at the state, national, and international levels. Dr. Phipps was inducted as a Fellow of the American Occupational Therapy Association (FAOTA) in 2011, was a recipient of the AOTA Cordelia Myers Writer's Award in 2008, the OTAC Practice Award in 2005, and was the 2014 recipient of the OTAC Award of Excellence and the 2015 recipient of the AOTA Recognition of Achievement for Excellence in Leadership, Management, and Administration. He is a proud alum from the San Jose State University Post-Professional Master of Science OT Program Class of 2002, where he published his Master's Thesis in the American Journal of Occupational Therapy (winner of the AOTA Cordelia Myers Awards for the best AJOT article) and has taught the leadership and management course from 2011 through 2014 in the same program. He was also elected as the SJSU OT Class Speaker at his graduation in 2002 and was the recipient of the 2012 SJSU OT Distinguished Alumnus of the Year.

Title: Vision 2025: Building upon 75 years of Excellence in Occupational Therapy at SJSU
